### **ALNITA POREA NAMED PRINCIPAL OF NEW ORLEANS CHARTER SCIENCE AND MATHEMATICS HIGH SCHOOL**

Alnita Porea, named Principal of the New Orleans Charter Science and Mathematics High School, having served the past year as the Interim Director.

**New Orleans, LA. June 10, 2010.** The New Orleans Charter Science and Mathematics High School announced today that the interim principal, Alnita Porea, has been named to the school's top job. She has five years' tenure with the school itself, and seven years experience as a New Orleans public school teacher. Her bio follows.

"We are proud and pleased to have Alnita Porea in the permanent position as the Principal of the New Orleans Charter Science and Mathematics High School. She has a long history with the school, and her experience and commitment will serve the school well. We look forward to a bright future with her leadership," said Mary Zervigon, of the Foundation for Science and Mathematics Education.

For more information, please call Alnita Porea at (504) 324-7061.

**Alnita Porea** was a classroom teacher for seven years with New Orleans Public Schools and a Numeracy Coach with Orleans Parish Public Schools 2003-2004. She has been a faculty member of New Orleans Charter Science and Mathematics High School since August 2006, serving as its Assistant Principal 2008-2009. The following year, she was named Interim school director. She was a Content Seminar Leader for Louisiana Practitioner Teacher Program 2007-2009 and a teachNOLA Fellow Advisor Summer 2007. Porea's honors include: Who's Who Among Teachers 2002 and GNOTM "Math Teacher of the Year" May 2007.

Ms. Porea holds a Bachelor of Science in Mathematics from Southern University, Baton Rouge, and a Master of Arts in Teaching Curriculum and Instruction from Xavier University, New Orleans.
