WARREN EASTON CHARTER HIGH SCHOOL STUDENTS AGAINST VIOLENCE

- Unique, educational event -

STUDENTS AGAINST VIOLENCE EVERYWHERE WEEK

The week of November 9 - 13, 2009 Warren Easton Senior High School will unite in a unique educational and awareness campaign focusing on effective ways to prevent and reduce youth violence. Student, counselors, social workers, nurse and parents and several service organizations will participate in various activities to demonstrate the positive role young people can have in making their schools and communities safer.

Each day will focus on a specific violence prevention strategy. These include promoting respect and tolerance, anger management, resolving conflicts peacefully, supporting safety, and uniting in action.

It is anticipated that Warren Easton's "Students against Violence Everywhere" campaign will also serve as a model for other schools in our community to emulate.

The school address is 3019 Canal Street, New Orleans, LA. For more information, or to schedule a visit to the activities, please call Principal Alexina Medley at 504-324-7400.
