

Lusher senior Robert Logan was honored by the First Lady of Louisiana, Supriya Jindal, through the Leaders of Tomorrow Awards program in **Baton Rouge on November 21st**. The awards honor Louisiana youth who are "Building Greatness" while promoting good citizenship, entrepreneurship, leadership and excellence. **Robert is being honored as the Entrepreneur of the Year for his involvement in the planning and development of Lusher High School, and his continuing leadership at the school. From his early advocacy before the Orleans Parish School Board, to research and drafts of the student constitution, to his current roles in student government and various student clubs, Robert has been instrumental in Lusher's successful expansion into a high school.** The Leaders of Tomorrow Awards banquet benefited the Special Olympics of Louisiana.
