"We are very proud of our schools and the job the officers have done in creating network that consolidates back-office, legal, and communications issues, allowing principals to focus on their students," commented Dr. Drill-Peterson.

ECCS is a voluntary association of schools that began with a grant from Baptist Community Ministries and exists to help charter schools decrease costs, share operational resources and information, and develop a common voice for charter school issues. The office is located at 2021 Lakeshore Dr., Ste. 414, New Orleans, LA 70122 (504) 267-7239.
